Jay and his team at Titan Union Event Center were AMAZING! From the onset of viewing the venue, up until and even after the event, Jay made sure things ran smoothly and to my liking. He is more than knowledgeable when it comes to assisting with large group events. He took the horns of things when I was at a loss for ideas and made sure that day would be an all star event...one to remember! The day of the event, Jay and his team were there to ensure myself as well as all of my guests were comfortable. I would highly recommend hosting your special day at Titan Union Event Center...you will be more than amazed!

When I found The Titan I found the perfect place for my wedding. The event space has a great layout with lighting, a sound system and the bar in the vault gives a speakeasy feel! Jay the event Manager reviewed everything with me; he is so awesome. The staff was so helpful and took care of everything we needed. My guests had a fantastic time. I would highly recommend The Titan.

We recently hosted our Shop Local Vendor Market at the Titan Venue Space, and it exceeded all our expectations! From the moment we walked in, we knew it was the perfect location for our event. The venue's rooftop offers stunning panoramic views that added a touch of sophistication and excitement to the atmosphere, making it a memorable experience for both vendors and attendees. The space itself is incredibly versatile, with plenty of room to showcase local businesses and create a vibrant marketplace. The staff at Titan were beyond accommodating, helping us with every detail—from layout suggestions to ensuring the event ran smoothly. Their professionalism and attention to detail were evident throughout, making the setup and execution seamless! Thank you Titan Union!!

From start to finish, Jay was professional, attentive, and genuinely committed to ensuring the event's success. He and his team went above and beyond to bring my vision to life, handling every detail with care and precision. The venue was stunning, but it was the staff's exceptional service that truly stood out. Jay's leadership and calm, solutions-focused approach made the planning process stress-free, and his team's efficiency on the day of the event ensured everything ran seamlessly. Their kindness, professionalism, and attention to detail were unmatched, and they even went out of their way to accommodate last-minute adjustments.
